## Summary

### Main Features

The annual datacubes contain detailed information about labour force status and other characteristics of families using data collected in the Labour Force Survey.

This product replaces the family data cubes previously delivered through the release of 6291.0.55.001.

Since these products are based on the same data as the **Labour Force, Australia (cat. no. 6202.0)** product set, the **6202.0 Labour Force, Australia Main Features** are relevant to both releases.

### About this Release

This product replaces the family data cubes previously delivered through the release of 6291.0.55.001.

The annual datacubes contain detailed information about labour force status and other characteristics of families using original data collected in the Labour Force Survey.

## Explanatory Notes

### Explanatory Notes

The **Labour Force, Australia: Labour Force Status and Other Characteristics of Families** (cat. no. 6224.0.55.001) product set is an annual component of the Labour Force Survey series of products and includes detailed data not contained in the monthly **Labour Force, Australia** (cat. no. 6202.0) product set.

Since these products are based on the same data as the **Labour Force, Australia** (cat. no. 6202.0) product set, the **6202.0 Labour Force, Australia Explanatory Notes** are relevant to both releases.
